All About Aero
Friday 24 January 2025

Overview

Prestwick is home to Scotland's largest aerospace hub and emerging space cluster. Over 3,000 highly skilled employees are based here – that's more than 50% of Scotland's aerospace workforce, and there are many opportunities for young people. Join Ayrshire College, SmartSTEMs and DYW Ayrshire at our 'All About Aero' event to find out more.

Exhibitors

Pupils will have the chance to chat to representatives from leading global aerospace companies and find about careers in the sector. They'll also be able to get information on aeronautical courses available at college.

Workshop

Pupils will take part in a short workshop delivered by SmartSTEMs.

Tour

Ayrshire College staff will take pupils on a tour of the Aeronautical Building. They can see the facilities, meet students and get an idea of what to expect should they decide to come to college.
